

Blair’s Week-At-A-Glance (WAAG) for Families:

April 15-19, 2024

Thank you for your support and understanding as we work through our Blair construction project. Progress is going well, and we are excited for the improvements to the exterior of our school building! We have many strategies in place to maintain clean air in classrooms and are having great success. If there are any questions or concerns, please contact me in the office.

Term three is well under way, and we are excited about the many class and school events on the calendar! I hope that you have a great weekend in the sunny, spring weather.
