New Program!
After-School Adventures (Winter 2020)

Richmond School District Continuing Education is now offering an After-School Adventure program for Blair Elementary School. This course is intended to be both fun and skill-building for students.

#40643 Lego Robot in Mindstorm (Ages 7-11)

In this course, students will be building and programming their own robots using Lego Mindstorm. During this course, students can learn computational thinking and hone their problem solving skills.

Students will compete in obstacle courses, as well as duelling against each other?

Please bring your own laptop (PC or Mac Device).
