

Blair's Week-At-A-Glance (WAAG) for Families:

January 19-23, 2026

We have now completed Week 2 of 2026, and it feels like our school community has settled back into our learning routines well. We have many exciting class and school-wide learning experiences scheduled and are looking forward to a very productive (and full) Term 2!

Please help your child be ready for school each day by: providing good nutrition, limiting screen time, having lots of sleep, preparing school bag and materials the night before. Our [Blair website](#) has a new post about screen limits to assist families.

Students need to be prepared to go outside (twice a day) in all kinds of weather! Please send changes of clothes, and warm and waterproof clothing each day.

-Mr. Livingston
