NATIONAL INDIGENOUS LANGUAGES DAY MARCH 31

Established in 1993, this day honors the linguistic heritage of First Nations, Inuit, and Métis peoples. It serves as a vital opportunity to recognize the strength of Indigenous languages, which are central to identity, culture, and worldviews, while also acknowledging the historical efforts to suppress them through colonial policies like residential schools.

Pesach (Passover) is a major Jewish holiday that commemorates the liberation of the Israelites from slavery in ancient Egypt. It is a celebration of freedom, family, and national identity, traditionally lasting for seven days in Israel and eight days in the Diaspora.

Hanuman Jayanti in 2026 is a major Hindu festival celebrating the birth of Lord Hanuman, the symbol of strength, devotion, and selfless service, observed primarily on April 2nd. Known as a Chiranjivi (immortal), he is worshipped to overcome obstacles and seek courage, with celebrations involving special prayers, chanting the Hanuman Chalisa, and visiting temples.

World Autism Awareness Day is observed annually on April 2. It was established by the United Nations in 2007 to improve the quality of life for those with autism and ensure they can lead full, meaningful lives as an integral part of society.

A Christian holiday commemorating the crucifixion and death of Jesus Christ at Calvary.

Easter Sunday is an important day for Christians because it celebrates new life and hope. Many people enjoy fun traditions like egg hunts, chocolate treats, and spending time with family. It's a joyful time that reminds us of fresh starts and the coming of spring.

StrongStart Guaranteed Program

Grauer Elementary

**Where caregivers and children
aged 0-5 have fun together!**

StrongStart BC programs provide rich learning environments designed for early learning development – language, physical, cognitive, social, and emotional. Our early childhood educator leads learning activities where children find opportunities to make friends and interact with others of similar ages. Caregivers participate with their young child (aged birth to five) in play-based early learning activities – including stories, music, and art. At no cost to families, this early learning program helps prepare children for the transition to Kindergarten. We offer support, information, resources, and a chance to meet other caregivers.
