Red Dress Day: May 5
Dutch Heritage Day: May 5

On May 5 we celebrate Dutch Heritage Day across Canada, an opportunity to recognize and celebrate the many contributions that Canadians of Dutch Heritage have made to our country's social, cultural, and economic fabric. May 5 is also Liberation Day in the Netherlands, marking the end of Nazi Germany's occupation during the Second World War.

In the occupied Netherlands, the Dutch people experienced hardship, oppression and starvation. In 1945, their ordeal came to an end as the Allies advanced across the country. Canadians played a significant role in the liberation of the Netherlands.

Red Dress Day

May 5th, 2025

Red Dress Day, observed annually on May 5th, is a National Day of Awareness for Missing and Murdered Indigenous Women and Girls (MMIWG2S) in Canada.

Red Dress Day, also known as the National Day of Awareness for Missing and Murdered Indigenous Women and Girls and 2SLGBTQIA+ People, is observed annually on May 5th in Canada. It serves as a day to remember and honor the missing and murdered Indigenous women, girls, and 2SLGBTQIA+ individuals, and to raise awareness about the crisis of gender-based violence against Indigenous peoples.

Subject: Your Voice Matters – BC Student Learning Survey

Dear Parents and Guardians,

We want to hear from you! Please share your thoughts about your child's learning by completing the **BC Student Learning Survey (SLS)**. This survey happens every year and helps us make education better for all students in BC.

Why your opinion matters:

- It's the only survey that asks parents across BC about their child's learning.
- Your answers add to what students and staff share, giving a full picture.
- Results help identify areas of concern and guide improvements.

Please complete the survey by May 1, 2026:

https://www.awinfosys.com/surveyfull1/central/main/access_Parent.asp

- Available in 18 languages
- Takes about 30 minutes
- Voluntary and anonymous

Your responses are anonymous, securely stored in Canada, and not linked to your child.

National Child & Youth Mental Health Day

When Our Children Hurt Inside:

NURTURING AWARENESS AND THE POWER OF RELATIONSHIPS

Younger children can experience emotional pain that they don't yet have the words to describe. Sometimes this shows up as statements about not wanting to be here or behaviours that look like self-harm. This gentle, supportive session may help parents and caregivers understand why these moments happen, what they may mean, and how to respond with calm connection. Together we'll explore how small moments of being seen, heard, and supported can make a big difference in a child's safety and well-being.
