

Blair's Week-At-A-Glance (WAAG) for Families:

June 8-12, 2026

Dear Blair Families, today we had an opportunity to show our appreciation for the wonderful Blair parents, grandparents, and caregivers with a casual Parent Appreciation event. Thank you for all you do to support our kids! We welcome your collaboration to create an effective school learning community.

It is Sports Day on Friday, with early dismissal at 1:30pm. Families are welcome to come and watch! Don't forget to order your child's lunch on MunchALunch (provided by the PAC) by Monday June 8. We are also looking forward to the Spring Market Fair following Sports Day! Don't forget to book your selling spot on MunchALunch!

Don't forget: you are invited to complete the [Track and Field Survey](#) , available until June 8!

-Mr. Livingston

Class Placement Information for 2026-2027

Each year, the school staff makes student class placement plans based on what we believe is the best possible learning environment for each student. Your child's classroom teacher, resource staff, educational assistants and administrators work together to place students for the upcoming school year. These plans are tentative until mid-September. During the first week of school, in September, all staff meet to confirm teaching assignments and to review student placements.

In the class placement conversations, many factors are considered when placing students. These considerations may include:

- Learning styles and strengths
- Social/personal characteristics
- Unique learning needs
- ELL levels
- Age and physical maturity
- Contractual obligations

Parents are able to provide information that may assist the staff in planning for next year. Please note that information about how your child learns provides the most valuable information. The information you provide should not include a request for a specific teacher, but rather new personal or educational information that will assist us in our decision. All information you provide about your child(ren) will be shared with the teachers and taken into consideration. Please be aware the final decision regarding placement needs to be a school-based decision.

If there is new information that the current classroom teacher and/or the administration does not have and should consider when placing your child, please email Mr. Livingston, the principal, directly.

Please do not request a specific teacher. If a request of this nature is made, the request will not be used during the class placement meetings.

To have your input considered for placement, please email alivingston@sd38.bc.ca by:
Monday June 8, 2026.

Please be mindful that this information will be shared with all classroom teachers and other staff members for the purpose of class placements.

CLUBHOUSE

After-School Care Program

Kidropolis Clubhouse is designed to create a safe, inspiring, and high-energy environment where children can learn, move, create, and connect after the school day ends.

Our programs combine structured enrichment activities with supervised free play to support families with quality after-school care while encouraging

confidence, creativity, teamwork, movement, and social development in a fun and positive setting.

In partnership with Nooma Space and Kidropolis, we have proudly been providing programming and after school care and enrichment programming since 2016, creating spaces where children feel supported, encouraged, and excited to learn.

June is National Indigenous History Month in Canada, a time to recognize the rich history, heritage and diversity of First Nations, Inuit and Métis.

June 21st
National Indigenous Peoples Day

National Indigenous Peoples Day takes place on the summer solstice, the longest day of the year. For generations, many First Nations, Inuit and Métis communities have celebrated their cultures, languages, and traditions at this time of year. The summer solstice holds deep spiritual and cultural significance for many Indigenous Peoples, marking a time of renewal, connection, and celebration.
