Launch Campaign - End Campaign - Expected Delivery

Here are our items:

Coffee: Rainforest Espresso, Sumatra, Safari, Equador, and House Decaf Blend

Tea: All teas (black/herbal/green)

Hi Catherine,

No problem on our end. We will be happy to help your fundraising campaign whenever you are ready to go. The lead-time on our end to deliver the coffees and teas are based on the size of the order as we roast to order. Normally we have very quick turn arounds, and can deliver to you fairly quickly.

Please let me know if you require any further assistance in executing your fundraising campaign.

Thank you and have a lovely weekend!
