

Blair's Week-At-A-Glance (WAAG):

December 15-19, 2025

It is hard to believe, but next week is the final week of school before our Winter Break. We have had a marvelous Term 1, with incredible dedication from our Blair educators and hard work from our students. We always appreciate the involvement of our families and our PAC to support our students in their learning. There were several Winter celebrations at school this week, including our Celebrations of Light and Music Performances as we honour different seasonal cultural traditions. However you celebrate this time of year, we wish you a wonderful holiday season, full of joy and happiness with family and friends.

-Mr. Livingston

Inclement Weather: School Closure Notifications

The district will try to determine school closures due to inclement weather by 6:30 a.m.
Updates will be delivered using social media and school and district websites.

No radio or television announcement will be made saying that schools are open. Only school closures will be announced by the media. To reach as many people as possible - as quickly as possible - we work closely with our local media to share information. Listen to local radio stations and follow local news outlets online to also get information about the impact of severe weather or emergencies in our schools.

If snowfall begins while school is in session, in most circumstances, schools will remain OPEN until the end of the school day.

If schools are open, and you wish to keep your child home due to weather conditions, you may do so. Please let your school know of this decision. Parents/guardians are responsible for their child's safe travel to school.
