Inclement Weather: School Closure Notifications

The district will try to determine school closures due to inclement weather by 6:30 a.m. Updates will be delivered using social media and school and district websites.

No radio or television announcement will be made saying that schools are open. Only school closures will be announced by the media. To reach as many people as possible - as quickly as possible - we work closely with our local media to share information. Listen to local radio stations and follow local news outlets online to also get information about the impact of severe weather or emergencies in our schools.

If snowfall begins while school is in session, in most circumstances, schools will remain OPEN until the end of the school day.

If schools are open, and you wish to keep your child home due to weather conditions, you may do so. Please let your school know of this decision. Parents/guardians are responsible for their child's safe travel to school.

HAPPY
 Ridván

This 12-day Bahá'í festival commemorates when Bahá'u'lláh declared His mission in Baghdad's Ridván Garden in 1863. Considered the holiest Bahá'í festival, it represents "paradise," celebrated with prayers, community gatherings, and flowers, particularly marking the 1st, 9th, and 12th days.

Subject: Your Voice Matters – BC Student Learning Survey

Dear Parents and Guardians,

We want to hear from you! Please share your thoughts about your child's learning by completing the **BC Student Learning Survey (SLS)**. This survey happens every year and helps us make education better for all students in BC.

Why your opinion matters:

- It's the only survey that asks parents across BC about their child's learning.
- Your answers add to what students and staff share, giving a full picture.
- Results help identify areas of concern and guide improvements.

Please complete the survey by May 1, 2026:

https://www.awinfosys.com/surveyfull1/central/main/access_Parent.asp

- Available in 18 languages
- Takes about 30 minutes
- Voluntary and anonymous

Your responses are anonymous, securely stored in Canada, and not linked to your child.
