Class Placement Information for 2026-2027

Each year, the school staff makes student class placement plans based on what we believe is the best possible learning environment for each student. Your child's classroom teacher, resource staff, educational assistants and administrators work together to place students for the upcoming school year. These plans are tentative until mid-September. During the first week of school, in September, all staff meet to confirm teaching assignments and to review student placements.

In the class placement conversations, many factors are considered when placing students. These considerations may include:

- Learning styles and strengths
- Social/personal characteristics
- Unique learning needs
- ELL levels
- Age and physical maturity
- Contractual obligations

Parents are able to provide information that may assist the staff in planning for next year. Please note that information about how your child learns provides the most valuable information. The information you provide should not include a request for a specific teacher, but rather new personal or educational information that will assist us in our decision. All information you provide about your child(ren) will be shared with the teachers and taken into consideration. Please be aware the final decision regarding placement needs to be a school-based decision.

If there is new information that the current classroom teacher and/or the administration does not have and should consider when placing your child, please email Mr. Livingston, the principal, directly.

Please do not request a specific teacher. If a request of this nature is made, the request will not be used during the class placement meetings.

To have your input considered for placement, please email alivingston@sd38.bc.ca by:
Monday June 8, 2026.

Please be mindful that this information will be shared with all classroom teachers and other staff members for the purpose of class placements.

CLUBHOUSE

After-School Care Program

Kidropolis Clubhouse is designed to create a safe, inspiring, and high-energy environment where children can learn, move, create, and connect after the school day ends.

Our programs combine structured enrichment activities with supervised free play to support families with quality after-school care while encouraging

confidence, creativity, teamwork, movement, and social development in a fun and positive setting.

In partnership with Nooma Space and Kidropolis, we have proudly been providing programming and after school care and enrichment programming since 2016, creating spaces where children feel supported, encouraged, and excited to learn.

BC Summer Reading Club 2026

UNDER the SEA

Summer Reading Club is **FREE** and **FUN** at your local library!

Important dates:

- **June 24** - Booklets available at all RPL locations
- **June 28** - Kick-off Event at Brighthouse library
- **July 8** - First sticker available
- **August 26** - Completion medals available

How it works:

- **Sign up** at any Richmond Public Library location starting June 24 and receive your free reading record booklet!
- **Pick** a reading goal - you can read 15 minutes a day, a chapter a day, it's up to you! Read by yourself or have someone read a story to you!
- **Track** your progress each day by checking off a bubble on your reading booklet.
- **Visit** the library each week to collect a sticker to add to your booklet and enter weekly prize draws.
- **Participate** in programs and activities at the library throughout the summer. Maybe write a book review for a chance to be featured in the Richmond News!
- **Pick up** your completion medal at the end of the summer at any RPL location.

For more information about programs and events happening this summer, visit www.yourlibrary.ca or call the library at 604-231-6412
